To: Legislature

My name is Katrina Plymeser, a friend of Jennifer Matoney Boomcakes. I am writing a statement of support for the House Bill #5053 Barriers on Bridges in RI. I completely support her in this effort and it is much needed especially with the circumstances we are all going through in general at this time and any time. This is something that needs to be addressed and people need to be heard and helped. Thank you for your time and consideration.

Sincerely,

Katrina Plymesser
