Katie Batchelder  
Written Testimony  
Support of H6171

Dear Committee,

I am writing in support of H6171. I want to stop unnecessary surgeries on infants that are rooted in gender stereotypes. Let people decide for themselves if they want surgeries that are done on their bodies and how and when. This bill only limits a specified list of surgery and does not prohibit other forms of treatment.

Thank you ,  
Katie Batchelder, RN
