

To Chairwoman Williams & members of the committee,
H6013

Especially when it comes to custodians, specifically in light on the ongoing pandemic, they should be paid the living, prevailing wage. Therefore this is a great bill from Rep. Diaz to ensure these most essential employees receive a living wage. During the public health crisis they have performing some of the most crucial work, keeping the interior of buildings spotless and free of germs. They deserve at least this and I hope you will give this bill strong favorable consideration.

Thank You,
