COYOTE RI is speaking out in strong support of H5006, H5007, H5008, H5009, H 5010, and H 5011, a package of bills being heard in the Rhode Island House Rules Committee today that would work to create a stronger, more engaged legislative process by changing rules around participation and ensure better transparency.

We are excited to see that lawmakers are listening to our demands to do more to make sure our voices are heard. We thank you in advance for showing your support for these important changes!

We are sending you well wishes in these difficult times. We are stronger together. Thank you for all that you do!

In solidarity,
