Subject: Transparency House bills

To RI House Rules Committee:

I hope all is well. I am writing to express my strong support for the House Bills, H5006, H5007, H5008, H5009, H 5010, and H 5011, a package of bills being heard in the Rhode Island House Rules Committee today that would work to create a stronger, more engaged legislative process by changing rules around participation and ensure better transparency. RI has the ability, if we so choose, to become the leading state in transparency, collaboration, cooperation and equity. This is just a start.
