

**Regarding House Bill Number 5603
Jane Costanza - Against**

2 March 2021

Dear Chairperson and Committee Members:

The United Independent Liquor Retailers of Rhode Island object to Bill H 5603.

It is a clear violation of the three-tier system. The removal of the Class A retailer and addition of all retail licenses is a violation of the restrictions of the license classes.

Thank you.

Yours truly,

Jane Costanza
Secretary
