Honorable House Finance Committee
C/O Christopher O'Brien
Committee Clerk
82 Smith Street
Providence, RI 02903

Honorable Members of the House Finance Committee:

I am writing to you in support of passing House Bill H-5118. The Jamestown Fire Department operates an emergency marine response and has done so for 1968. Passage of this bill would provide much needed assistance in funding and enhance our first responders in training.

Under normal circumstances I would have appeared in person before your honorable committee to offer my testimony in support of this bill. If you have any questions, I am available to discuss this or any concerns you may have further.

Respectfully Submitted,

Jamie A. Hainsworth
Town Administrator
