Dear House Finance Committee Members,

My name is Janet Isserlis, I'm from Providence and I have used RIPTA as my primary way of getting to work and to various other places, especially those that involve highway travel, which I can't do when I do drive.

I'm deeply troubled and concerned about the loss of a central bus hub where riders can make timely transfers and connections to get where I'm going. Breaking up transfer locations means that it will take me even longer than it already does to get where we go by bus.

I'm especially upset that RIDOT will use the 2014 Mass Transit Hub Infrastructure Bond funds to dismantle and deconstruct the central bus hub in Kennedy Plaza. This was not what voters like me intended when I voted in favor of that bond.

**Please amend Article 1, Section 18 by inserting the following two sentences beginning on line 6 of as follows:**

"Per the 2014 Mass Transit Hub Infrastructure Bond ballot question, funds may only be utilized to fund enhancements and renovations to transit hub infrastructures. No bond funds may be utilized to dismantle or otherwise deconstruct the state's primary transit hub in Kennedy Plaza."

Thank you,

Janet Isserlis
