Dear Committee Members,

My name is Marion Jordan. I live in Pawtucket and have been riding on RIPTA for decades. I'm strongly opposed to the wrong-headed proposal to move RIPTA's central transit hub away from Kennedy Plaza. In no way will it improve the lives of those who rely on the bus as their primary way of getting around.

Please consider amending the 2014 Mass Transit Hub Infrastructure Bond by inserting the following to Article 1, Section 18:

Per the Bond ballot question, funds may only be utilized to fund enhancements and renovations to transit hub infrastructure. No bond funds may be used to dismantle or otherwise deconstruct the state's primary transit hub in Kennedy Plaza.

Thank you for your consideration,

Marion Jordan
