Dear House Finance Committee Members,

My name is Tom Padwa, I'm from Warren, R.I. and I use RIPTA as my way of getting to shopping and medical appointments.

I'm very concerned about the loss of a central bus hub where I can make timely transfers and connections to get where I'm going. Breaking up transfer locations means that it will take me even longer than it already does to get where I'm going by bus.

I'm especially upset that RIDOT will use the 2014 Mass Transit Hub Infrastructure Bond funds to dismantle and deconstruct the central bus hub in Kennedy Plaza. This was not what voters like me intended when I voted in favor of that bond.

Please amend Article 1, Section 18
