Subject: RI Promise Program at CCRI

Pilgrim High School is comprised of a very diverse student population. It would be a shame for our students not to be afforded the opportunity to participate in the RI Promise Program at CCRI. Many of our seniors are unsure of what they want to pursue for a career or post-secondary option. Over the past 3 years, with the opportunity of the RI Promise Program, the majority of these students have entered into CCRI to take the time to continue to discover their interests, strengths, talents, and passion. The timing is critical, as these students are beginning to mature into adults. Without the option to go to CCRI through the RI Promise Program, these young adults will have to enter the workforce, as they will not have the funding to go to CCRI or any other post-secondary educational institution to discover themselves or pursue their careers.
