Subject: My testimony in Regan Bldg

Dear Sir,

I am writing this letter in connection with Tue's hearing in capitol where one of the scenario is shutting down the Eleanor Slater Hospital. Here's my testimony on this place that I go tirelessly everyday.

I have never seen an utmost compassion and dedication towards caring to the most vulnerable people and psychiatrically unstable Rhode Islanders who happen to be our patient. You may never heard of us, but to the patient we are the only one they knew that can give them the utmost care they deserve to continue living. And by that we became their home.

Please Sir I'm asking you to help and consider the outcome of this disastrous would be decision.

Sincerely ,
Hazel Quinio RN
