Rhode Island Works Best When We Say UNION YI

February 23, 2021

Dear House Member:

On behalf of the Rhode Island AFL-CIO, we are writing to express our support for H-5263 sponsored by Representative Williams. This bill would remove the exemption from domestic workers from coverage from our state's minimum wage law. The present exemption is both outdated and discriminating. The passage of this bill will provide a measure of economic security and justice for those workers whose work is beneficial to our economy.

Thank you for your consideration of our position. If you have any questions or need further information, you can reach us at (401) 751-7100 or E-mail at info@riaflcio.com.

Sincerely,

George Nee
 President

Patrick Crowley
 Secretary-Treasurer
