**Subject:** In Support of Bill H5255

Hello,

My name is Morgan Gray, and I am writing you about Bill H5255. I am for this bill, supporting the increase in amount of beer that RI Small Breweries can sell. This would be beneficial not only for customers, but also for our beloved breweries and their paths to growth. This bill is extremely important for small businesses within our state.

Thank you so much for your time.

Warmly,  
Morgan Gray  
(Rhode Island Resident/Beer Lover/Small Business Supporter)
