#### **Budget Status**

Staff Presentation to the House Finance Committee May 27, 2020

## Budget Status - Recap

- Results of the May Revenue & Caseload Conference decrease available resources for the FY 2020 revised & FY 2021 budgets by \$815 M
  - Governor's budget solved a projected problem a fraction of that that size
- Issues not accounted for total over \$50M bringing total gap closer to \$900M
  - Identified federal relief opportunities not sufficient alone even if completely flexible

# **Rainy Day Fund**

- Appropriations limited to 97% of the estimated general revenues
- From all sources including prior year surplus
   Remaining 3% goes into a budget reserve and cash stabilization account or "Rainy Day Fund"
  - Can only be used under specific conditions
    - Current Year Revenue drop in May
  - Amounts used must be replaced next year
    - Use has implications for RICAP funds

#### **Rhode Island Capital Plan Funds**

- When RDF reaches <u>5.0% of revenues</u>, the excess flows to the capital account
  - Previously used mostly to pay debt
- Voters amended constitution in 2006 to limit use for projects only
  - Dedication of pay-go sources to capital lessens need to issue debt

# 2009 Rainy Day Fund Use

- May 2009 REC revised the current year estimate down by \$70 million from revenues included in the already adopted supplemental budget
  2009 Assembly partially solved that gap by using \$22.0 million from the rainy day fund for FY 2009
  - Also made appropriation of \$22.0 million for FY 2010 to payback that transfer

# 2009 Rainy Day Fund Use

- Governor Carcieri proposed delaying that payback by one year in his FY 2010 revised budget
  - 2010 Assembly agreed to shift funding to FY 2011
- Governor proposed a second delay the following year
  - Assembly did not agree and payback was made in FY 2011
