From: Thomas A. Mullaney

Date: May 17, 2012

Subject: Amendments to Article 24 of the FY 2013 Appropriations Act (12-H-7323)

The Governor requests that several amendments be made to Article 24, Relating to Taxation and Revenues. The proposed changes would reduce the increase in the Meals and Beverage tax from two percentage points to one percentage point and remove the proposed the sales tax on moving, storage, including warehousing, and freight services, except for mini-warehouses and self storage units. By reducing the proposed increase in the meals and beverage tax rate, the State would forgo an estimated $19.8 million of revenue, based on the Governor's proposed FY 2013 budget. By limiting the sales tax on moving, storage, including warehousing, and freight services to mini-warehouses and self storage units, the State would forgo an estimated $8.5 million in revenue.

Attached are the amendments needed to implement the above revisions. If you have any questions regarding Article 24, please feel free to call David Sullivan at 574-8922 or Paul Dion at 574-8943.
