Subject: Corrections to the FY 2016 Appropriations Act (15-H-5900)

The Budget Office has compared the budget articles contained in the FY 2016 Appropriations Act, as submitted to the Legislative Counsel, to the printed and on-line versions of H-5900 and, as a result of the comparison, we have identified a number of drafting errors in the legislative version of the Act. The attached sheets list the errors by article number.

We also request that the Legislative Counsel correct a Budget Office drafting error on page 39, line 7 by adding the word "Airport" between Rhode Island and Corporation.

If you have any questions regarding this new article, please feel free to call me (222-6300) or Gregory Stack (222-2194).
