I. Purpose of Changes to Return Filing Due Date:

- To comply with Federal Law: Federal Law (P.L. 114-41), the "Surface Transportation and Veterans Health Care Choice Improvement Act of 2015" was enacted on July 31, 2015. Although this new law was primarily designed as a 3-month stopgap extension of the Highway Trust Fund and related measures, it included a number of important tax provisions, including revised due dates for federal partnership and C corporation returns and revised extended due dates for some returns.
- To comply with federal due date changes as described above.
- To allow chronologically correct flow of information from pass-througths to owners: since the due date of the partnership return is the same date as the due date for an individual tax return, individuals holding partnership interests often must file for an extension to file their returns because their Schedule K-1s may not arrive until the last minute.)
- To encourage individuals to file by 4/15 ;
- To encourage timely receipt K-1s by end users;
- To improve accuracy of tax returns, and
- To simplify tax administration for government, practitioners, and taxpayers.
