MEMORANDUM

To: The Honorable Marvin L. Abney
   Chairman, House Finance Committee

      The Honorable William J. Conley, Jr.
      Chairman, Senate Finance Committee

From: Thomas A. Mullaney
      Executive Director/State Budget Officer

Date: January 25, 2018

Subject: Amendments to Article 3 of the FY 2019 Appropriations Act
         (18-H-7200)

The Governor requests that Article 3 entitled "Relating to Government Reform" submitted on January 18, 2018 be replaced with the attached version. The new version corrects for errors made in the drafting of Section 13 of the original article. This section was incorrectly drafted using an older version of the general laws and thus inaccurately restored some older language and deleted certain newer language that was never intended to be changed. The only change that should have been requested in this section was the elimination of the division of planning’s responsibility for the Water Resources Board, which is proposed to be moved under the authority of the Division of Public Utilities and Carriers.

The language to be changed is highlighted in grey. Inaccurate language to be removed from the original article is stricken and strike-outs have been removed from language that was incorrectly stricken in the original article. We have also included a clean new article with the language as it was intended.

If you have any questions regarding this amendment, please feel free to call me at 222-6300.

5-84-1 Short title.

This chapter shall be known and may be cited as "The Division of Design Building, Design and Fire Professionals Act."

5-84-2. Division of design building, design and fire professionals.

There has been created within the department of business regulation, a division known as the division of design building, design and fire professionals.

5-84-3. Division membership.

The division consists of the membership of the office of the state fire marshal, the fire safety code board of review and appeal, the office of the state building commissioner, the board of registration for professional engineers, board of registration for professional land surveyors, board of examination and registration of architects, and the board of examiners of landscape architects and the contractors’ registration and licensing board.

If the director has reason to believe that any person, firm, corporation, or association is conducting any activity under the jurisdiction of the division of design building, design and fire professionals including professional engineering, professional land surveying, architecture, and/or landscape architecture without obtaining a license or registration, or who after the denial, suspension, or revocation of a license or registration is conducting that business, the director or the director’s designee may, either on his or her own initiative or upon recommendation of the appropriate board, issue an order to that person, firm, corporation, or association commanding them to appear before the department at a hearing to be held not sooner than ten (10) days nor later than twenty (20) days after issuance of that order to show cause why the director or the director’s designee should not issue an order to that person to cease and desist from the violation of the provisions of this chapter and/or chapters 1, 8, 8.1, 51 and/or 54-65 of title 5. That order to show cause may be served on any person, firm, corporation, or association named by any person in the same manner that a summons in a civil action may be served, or by mailing a copy of the order, certified mail, return receipt requested, to that person at any address at which that person has done business or at which that person lives. If during that hearing the director or the director’s designee is satisfied that the person is in fact violating any provision of this chapter, the director or the director’s designee may order that person, in writing, to cease and desist from that violation and/or impose an appropriate fine under § 5-84-5 or other applicable
law and/or refer the matter to the attorney general for appropriate action under chapters 1, 8, 8.1, 51 and/or 56 of title 5. All these hearings are governed in accordance with the administrative procedures act. and/or beverage sold within the state of Rhode Island in or from an eating and/or drinking establishment,

The one and one-half percent (1.5%) rate shall take effect on the date that the state requires remote sellers to collect and remit sales and use taxes.
