**Subject:** Washington Bridge Snapshot Report-Resume work

Legislation passed on May 2, 2024, page 3, item (d) states that “Upon receipt of information reflecting an unexpected change in the anticipated progress in repairing or replacing the Washington Bridge, the department shall promptly transmit the information to the governor, the president of the senate and the speaker of the house rather than delay until the next snapshot report due date.” Therefore, the department offers the following update:

Work on the Washington Bridge No. 700 will resume on Tuesday, October 15, 2024.
