Subject: Opposing Bill 6396

Hello,

My name is Mukamil Shah, I have a convenient store in Woonsocket. I am against the House Bill 6396. Our businesses are already struggling and this bill will prove detrimental, I'm afraid that it'll lead us to close our stores. For the sake of my family, I request you as our representative to not let this bill pass.

We all hope that you'll stand with the small businesses and the families that they provide for and will vote against this bill.

Kind Regards,
Mukamil Shah
