**Subject:** Rosalie Pavone In opposition to Bill 5469

I oppose Bill 5469

- the bill attempts to circumvent the provisions of the Rhode Island Constitution
- The language of 10 feet from the most recent high tide line is virtually unenforceable
- The language of protected conduct shall include but not limited to, fishing, gathering seaweed, swimming, and passage along the shore would indicate none- members can do basically anything on my lroperty
- The bill renders the Police Department helpless from protecting my property , on which I pay taxes, from protecting my property and family from unwanted trespassers and vandalism
