To whom it may concern,

My name is Derrick Estrada. I am a licensed journey level electrician, in the trade for 8+ years. I have reviewed H-7015 and strongly believe it should be passed in its current form without amendments.

Years of continued education, hard work, and training have given me the ability to perform my duties, of a Licensed journey level electrician, safely. This is a skilled trade that requires time, effort, and dedication. If attempted or passed by an unqualified person could, serious injury could occur to themselves and all parties involved.

Simply put;

“Any fool can know. The point is to understand.”

Sincerely

Derrick Estrada
