To whom it may concern, I've been an electrician for 42 years, besides my apprenticeship schooling , I have completed untold hours of schooling and training , to be the best at my craft! The only thing that maintains that our compensation is our professional license and we need to be sure that only trained professionals are able to work in our field! If you have any questions, please contact me.

Jeffrey J St.Germain ( licensed electrician)

401-255-4132

Thank you for your time

Jeffrey J St.Germain
