Re: Shut Down HB 5043 for Our Veterans

Dear House Corporations Committee Members,

I live in your district and I'm worried about HB 5043, which I believe is very bad for veterans. Our veterans have risked their lives for our country, and they deserve the right to be able to work with whoever they want when they're preparing their disability claims. We need some regulation, for sure, but we also need to make sure that veterans can get the help they need to navigate such a messed up system as the VA. While we all share the goal of protecting our veterans, HB 5043 does not achieve this. It's going to clog up the process even more, and make wait times for claims decisions even longer. If we truly care about our veterans, I urge you to oppose HB 5043 and prevent it from becoming a law in our state.

Sincerely,
