

HB 5105 Related to RIPTA

To: Chairman Solomon and members of the House Corporations Committee,

I'm writing in support of the above bill.

This bill would allow RIPTA to work with MBTA in hopes of creating a dual pass. Creating such a pass would make it easier to access the rail system for older Rhode Islanders. This is essential to ensure easier travel between RI and Boston for those who do not have a car. It just makes sense to expand and improve affordable and accessible public transportation programs.

Please support this important bill.

Sincerely,
Daniel Liparini
