**Subject:** Surcharge Fee

You don't often get email from lcp23223@gmail.com. [Learn why this is important](#)

I am aware several states do this, but does this mean that for instance the surcharge fee the state imposes on registering my car will no longer be imposed?

Many industries are struggling to make ends meet especially small businesses. As our legislature continues to make doing business in Rhode Island more difficult and expensive, I urge you to rethink this. 3-4% to the bottom line is a significant amount.
