Dear Chair Solomon and members of the Committee,

My name is Mrs. Margaret (Regan) Battersby and I have lived (and voted) since 1983, in East Providence RI.

I am submitting the following testimony in support of bill H-7726.

We had Trinity Solar install rooftop solar panels several years ago and are currently enjoying their tremendous benefits. My husband and I celebrated EVERY month that we received an electric bill of \$0.00!

Remembering just HOW LONG it was between installation and actual collection of power into the grid, I strongly urge you to quickly pass H-7726 to make it easier for ALL Rhode Islanders to start collecting beautifully abundant sunshine this summer!!

Sincerely,
Mrs. Meg Baatersby
