Subject: Support for RI Wind

You don't often get email from lynnhughes401@gmail.com. [Learn why this is important](#)

Dear Chair Solomon and members of the Committee,

Offshore Wind is so very important to clean energy for Rhode Island.

For years we lived in Europe and travelled between England and Holland. The ferries we took always left from ports filled with wind turbines, and that was 25 years ago.

Please support Offshore Wind so we can follow those European leaders into reducing our dependence on fossil fuels.

Thank you.

Sincerely,

Lynn Hile Hughes
