In support of H.B. 7612 (termination of service)

Dear members of the House Corporations Committee:

My purpose in writing is to support and **strengthen** H.B. 7612. This bill was introduced on February 11, 2026. As a consequence, the bill is **already behind the curve** in an all-too-literal sense, as this chart shows:

Follow [this link](#)¹ to view price changes in real time and then contemplate the dire consequences of this trend, which is also seen in gasoline, heating oil, etc.

Respectfully submitted,
