You don't often get email from c.wil@cox.net. [Learn why this is important](#)

I'm writing to urge the House to pass this bill.

Homelessness is out of control. We need help keeping our citizens housed and safe and one way we can do that is by making utilities affordable. Many people are forced from house due to inability to afford skyrocketing utility rates and are forced to make decisions about food or paying bills. Life is just too expensive and I'm urging you to help.

Thank you for your support.

Carol Wilcox
