RE: H7722 and H8381

Dear Chairman Solomon, Vice Chair Caldwell, Vice Chair O'Brien, Rep. Casey, Rep. DeSimone, Rep. Finkelman, Rep. Kennedy, Rep. Newberry, Rep. Paplauskas, Rep. Phillips, Rep. Potter, Rep. Sanchez, Rep. Serpa, Rep. Spears and Rep. Voas:

I request the House Corporations Committee vote in favor of passage of Bill H7722 and

H8381. Each bill would amend a longtime imbalance held by powerful dental insurance companies in Rhode Island.

H8381 would address the administrative nightmare dental offices deal with due to the complexity and additional cost of virtual credit cards.

H7722 would provide a bit more balance where for decades insurance companies prevented patients to receive benefits for services by non participating dentists.

Thank you for your service to our beloved State.

Sincerely yours,

Christine
