**Subject:** Subject: Support for H8400 - Protect Quonset

You don't often get email from jburesh174@gmail.com. [Learn why this is important](#)

As a resident of North Kingstown, and a voter, I urge you to support H8400. I also request that this bill be amended to eliminate the expiration date of February 1, 2027.

The proposed pyrolysis sludge plant at Quonset is unacceptable due to the potential health and environmental hazards it poses to our community, our schools, and our only water source.

Thank you.
