**From:** Sarah O'Brien <sarahob1@msn.com>  
**Sent:** Sunday, January 23, 2022 6:10 PM  
**To:** House Education Committee; Rep\_Knight; Liana Cassar  
**Subject:** House bills on education 6666,6667

I am in full support of both of these bills. Strong internet access currently is essential to educational access. Also as a social worker who has spent most of my 30 year career working with traumatized youth - I strongly advocate for trauma informed practices in school in order to facilitate safety and both social emotional and educational learning.

Thank you!
