Subject: STRONGLY OPPOSE BILLS H7884, H7727, H7781, H7873

As a mom of a trans daughter, I strongly oppose bills H7884, H7727 and H7781.

Health issues must be decided individually with the person, their doctor and their families not by the government.

Censoring and banning have no place in our country. All people have the right to be themselves. Please ensure that all people feel included and accepted in their communities and in their school.

Please represent ALL people.
Thank you!
