

Dear leaders,

I am writing in support of the School Libraries Act H5488. Our school libraries are essential resources for all Rhode Island students, and students in every school should have equitable access to a center for learning and discovery. I want school libraries to remain open for all current and future students, no matter the socioeconomic setting, and, for that reason, I am urging you to support H5488 which will guarantee that we keep our school libraries and school librarians in every school.
