Dear Members of the House Education Committee,,

I am a resident of Providence, RI. I am writing to you today to express my support for H5836. I support this bill because I want my daughter to learn as much as she can about the history of other cultures and the power structures that continue to work against them. The proposed ethnic studies course will help her to become a more informed citizen and a better ally, which we need now more than ever.

Sincerely,
Kara Bowers
