Dear House Education Committee,

My name is Elizabeth Rokes and I am a teacher at Webster Avenue Elementary School in Providence. I am writing today to support H 7415 and HJR8131 and oppose H 7615.

Providence allots over \$30 million for charter school tuition. This money could better serve our MLL and special needs students. MLL and special education students are not being supported because of the lack of resources left.

Best,
Elizabeth Rokes
