

March 10, 2026

Dear House Committee on Education,

I'm writing to express my strong support for the approval of bill number H7415.

As a public school teacher in the Providence Public School Department, I have seen firsthand what happens when charters siphon money from public education. Our public schools deserve all the best resources our city has to offer. I support a cap and moratorium on charters. Keep public education public.

Sincerely,
Lisa Pacitto
