Subject: I Support House Bill 7895

You don't often get email from kmcniff1980@gmail.com. [Learn why this is important](#)

Hi,

I am writing in my support of the "Safe Schools Technology Act", because I see a huge need for it everywhere. These are uncharted waters we are in with the access and addiction that is happening to screens, and there is a huge need for restriction and healthier guidelines for schools and families. Please pass this bill so that there can be more stringent requirements for the approval of any digital curriculum.

Sincerely,

Kelly McNiff
