Hello Ms. Lisa Cataldi and to all of the House Education Committee Members,

Thank you very much for all of your time and attention in listening to the input of the homeschool community as we expressed our concern about the proposed bill, H8531.

My children attended part of the hearing with me and it was a mini civics lesson and R.I. State Government lesson for them.

We all appreciated the thoroughness and attentiveness that was shown to those testifying and to the issues at hand. We would like to express our gratitude for the work you do.
