Subject: H8531 OPPOSED

Since my daughter has been homeschooled for the first year as a 11th grader. Her emotions are better. Because she isn't getting bullied and focusing more.

When she can't handle something or something bother her. She can take a step back and relax.

I was getting calls every day about picking her early if possible, nurse saying her stomach bothering her, or she is having a break down due to kids.

Homeschooling has been life changing for her, please oppose H8531.
