Dear Members of the House Education Committee,

I am writing to express my gratitude regarding the recent hearing for Bill H8531. Although I was unable to attend in person, I submitted written testimony, and my wife and son were present to testify.

I would like to thank the committee members for the courtesy and respect shown to my family. In particular, I appreciate the questions directed toward my son and the positive reinforcement he received. This was a valuable learning experience for him and a meaningful way to engage with our governmental process.

With gratitude,

Tristan Heuvelman
