To: House Education Committee
Subject: Support House Bill 5934

Dear Chair McNamara and House Education Committee Members,

I live in Barrington and my Representative is Liana Cassar.

I am writing to ask the Committee to move H5934 to the floor of the house because all children deserve fair and equitable treatment and access to high speed internet is an important piece of learning in the digital age.

Thank you for your consideration in this matter.

Sincerely,
Karrie DiSanto
