Subject: HB 5342, yes!

Dear Committee Clerk Lou Mansolillo,
Please convey my support of HB 5342 to the House Environment and Natural Resources committee members.

By establishing a restricted account and getting input from farmers about its distribution, this fund will ensure our farmers receive direct benefit from the fees they are currently paying to RIDEM.

No new taxes, simple good sense.

Thank you and the committee members for your consideration of this timely and important legislation.
