

Angel's Testimony in Support of House Bill 7422

February 26, 2026

To the Chair and Members of the House Committee on Environment and Natural Resources.

My name is Angel Lopez and I am a resident of Providence. I write to you today in support of House Bill 7422. Please pass this bill and uphold clean air protections for all Rhode Islanders. Protecting our air, will simultaneously help protect our drinking water, our locally produced food supply, and every living organism within Rhode Island.

Thank you for taking the time to read this.

Sincerely,

Angel Lopez
