

Testimony in support of H7620: Plastic Waste Facility Act

Barbara Walsh, 62 Frederick Street, Warwick, RI 02888

Date of Hearing: February 26, 2026

To: Chair Bennett and the honorable Members of the House Environment and Natural Resource Committee

Please support H7620. Much time and energy has been wasted the last few years debating whether Rhode Island should support ineffective and unsafe methods of addressing plastic waste. Thankfully, the legislature has not allowed such unwanted facilities to be built. A proactive intervention by the House would be to pass this bill so energies can be redirected to appropriate interventions.
