House Environment and Natural Resources Committee
Rhode Island State House
82 Smith Street
Providence, Rhode Island 02903

Dear Chair Bennet and members of the Committee,

My name is Christopher Cheney, I live in Providence, and I am writing in support of House Bill 7183. This act would provide incredibly valuable information that would improve situations for everyone. This sort of common-sense bill would be a great start in reducing cost and energy use.

Sincerely,
Christopher Cheney
