House Environment and Natural Resources Committee
Rhode Island State House
82 Smith Street
Providence, Rhode Island 02903

Dear Chair Bennet and members of the Committee,

My name is Christopher Cheney, I live in Providence, and I am writing in support of House Bill 7184. This bill would create better buildings for everyone, and in the long term would both reduce costs and improve quality. Building require long-term thinking, and this bill looks at the long-term in many ways.

Sincerely,
Christopher Cheney
