Subject: **Opposition to House Bill H7531** - repealing the 2021 ACT ON CLIMATE

Dear Chair Casey and Members of the House Municipal Government & Housing Committee:

I am writing in opposition to House Bill 7531 which would repeal the 2021 Act on Climate.

If there are changes needed to the 2021 Act on Climate, those should be addressed on their merits. A blanket repeal would only create chaos and litigation.
